

Libraries Unlimited is a Devon-based charity and social enterprise that runs Libraries in Devon and Torbay. As a charity, we rely on a mix of income to continue providing high-quality libraries and library services.

Our libraries across the county offer a range of services including author events, book clubs, children and teen activities, business and IT support, free WiFi and computer access, health and wellbeing support, access to free digital magazines and newspapers as well as loaning books, ebooks and audio books.

We offer room hire at many of our Libraries across Devon and Torbay including Barnstaple Library, The Hayridge at Cullompton, Exeter Library, Passmore Edwards Centre in Newton Abbot and Paignton Library.

For a full list of libraries that offer meeting room hire visit:
